PROFESSIONAL SUMMARY

Experienced Registered Nurse bringing strong assessment skills, critical thinking, and a commitment to patient safety and high-quality outcomes. Recently completed specialized training in aesthetic medicine focusing on injectable procedures, facial anatomy, and patient-centered aesthetic consultations. My ability to build trust with patients, manage complex cases, and ensure optimal outcomes are transferable skills that I hope to bring to the aesthetic industry.

PROFESSIONAL EXPERIENCE

SDBotox

San Diego, CA

Aesthetic Training Academy

February, 2025

- Gained hands-on experience performing injections on 29 models, refining precision techniques and gaining an in-depth understanding of facial anatomy.
- Developed skills to perform an effective patient consultation to build rapport with patients and ensure a personalized approach.
- Educated on the risks associated with both dermal fillers and Botox, along with proper post-care procedures to ensure optimal patient outcomes.
