## Professional Summary

---

Seeking a position as a Family Nurse Practitioner in a facility where my years of clinical experience and use of my second language of Spanish could offer and facilitate optimal patient care and satisfaction. Having the opportunity to continue my growth as a healthcare professional and to be constantly challenged in my career is extremely important to me. Utilizing the latest and most current evidence-based practice that will be consistently dependent on in order to ensure safety and informed plan of care in practice provided to my patients and their families.

## Work Experience

---

### **Advanced Practice Registered Nurse (APRN), Internal Medicine Group**

Alonso Medical and Wellness-Altamonte Springs, FL  
November 2023 to Present

- Actively participated in quality improvement initiatives aimed at enhancing patient outcomes, safety, and satisfaction, HEDIS measures.
- Provided comprehensive medical care to adult patients in an internal medicine practice. FMLA, Surgical Clearance, Weight Management, Aesthetic Services such as Botox, Juvéderm, Restylane, Sculptra.
- Diagnosed and treated a wide range of acute and chronic illnesses, including diabetes, hypertension, respiratory conditions, and gastrointestinal disorders
- Ordered and interpreted diagnostic tests such as blood work, imaging studies, and electrocardiograms to aid in diagnosis and treatment planning for Wellness Exams and Surgical Clearances.
- Performed minor surgical procedures such as skin biopsies, laceration repairs, and joint injections
- Maintained a high level of professionalism and ethical standards in accordance with the principles of internal medicine practice
- Attended regular continuing medical education (CME) courses to stay current on advancements in diagnostic techniques and treatment modalities within the field of internal medicine
