CAREER OBJECTIVE

Motivated, driven, and compassionate Registered Nurse looking to become a part of an aesthetic nursing team. Seeking a challenging, yet meaningful nursing career with the goals of helping patients feel their best while maximizing health, wellness, and beauty positivity.

LaserAway

Scottsdale, AZ

Aesthetic Nurse Injector

October 2023 – current

- Administered neuromodulators and dermal fillers with attention to detail
- Performed laser facials, laser hair removal, laser tattoo removal, intense pulse light therapy, radiofrequency microneedling, coolsculpting and hydrafacials
- Educated patients about pre and post-treatment care, expected and realistic outcomes, and potential side effects while ensuring informed consent
- Maintained accurate and confidential patient records
- Attended trainings ensuring up-to-date, best practices are performed

Banner Desert Medical Center

Mesa, AZ

Registered Nurse

June 2023 – October 2023

- Provided direct care to patients admitted to the Surgical PCU unit with 24/7 telemetry monitoring
- Utilized critical thinking skills in emergent situations
- Educated patients about preventative healthcare, optimizing patient-centered care
- Skills in thorough charting and clinical documentation
- Performed intravenous therapies, assisted in procedures, and worked with interdisciplinary teams

Preceptorship at Banner Desert Medical Center

Mesa, AZ

Student Nurse

Jan 2023 – May 2023

- Provided direct care to patients admitted to the Surgical PCU unit
- Assisted with medication administration, charting, and other nurse responsibilities.
- Worked to provide a comfortable environment for acute patients post-surgical.

Valley Perinatal Services

Phoenix, AZ

Clinical Research Coordinator

Mar 2021 – Dec 2022

- Assessed eligibility of potential subjects through methods such as screening interviews, reviews of medical records and discussions with physicians and nurses.
- Prepared study-related protocol worksheets, procedural manuals, adverse event reports, institutional review board documents, and progress reports for national and international regulatory review committees.
- Scheduled subjects for appointments, procedures and inpatient stays as required by study protocols.
